I am looking for a particular expression to describe when I am going into great depth in the area covered in my project. So for example, a "deep dive" on the deeper structure of the central processing unit. A: Deeper dive sounds like you're going into the details of a particular topic. I would think of 'deeper dive' in the way you would think of 'deeper focus' or 'deeper story.' That is, you're going to focus on one particular topic
